HHA DIRECTORY & LIST OF MEMBERS

About the HISTORIC HOUSES ASSOCIATION

Formed in 1973, the HHA represents a group of highly individualistic and diverse properties ranging from palaces and castles to small manor houses. The Association has in membership over 1,500 such properties, including virtually all the finest historic houses and estates in Britain. The Members of the Association collectively represent a large and financially significant market. Members need a wide range of services and products for the preservation, upkeep and maintenance of the properties and estates that they own and manage. Many of the properties also have extensive leisure facilities that provide for entertainment of the public visiting their properties, as well as for weddings and conferences.

- **A-Z listing of all HHA Member properties and a separate A-Z listing of Members by name**
- **names and addresses of museums, societies, trust, associations and other useful organisations involved in heritage and conservation**
- **Corporate Members of the Association have a separate index, where they are listed under the services they provide to HHA Members**

THE OPPORTUNITY

Published in May each year, the Directory is distributed to all Full, Family, Successor and Corporate Members of the Historic Houses Association. Promoting in the Directory will ensure that your company or organisation is at the forefront of Members' minds for the next 12 months.
